PARK A KID PLAN

Unsure about what your kids will be doing when school is out? Looking for a convenient and inexpensive camp program? You can stop your search now. You don't have to go any further than our own campus.

Once again the Department of Physical Education is offering a summer recreation program for Gallaudet faculty and staff children from ages 5-12.

A structured and supervised program including sports, swimming, arts and crafts will be offered mornings from June 30 to August 1. All for a bargain price of \$10 per child. Applications can be picked up from the Hughes Gym and must be turned in by June 10.

organize a second production of Good Vibrations.

Everyone (hearing, deaf, hard of hearing) is invited to try out for the show on Saturday, June 7, from 10 a.m. to 1 p.m. in the TV Studio. Please bring a recording and typed word sheet of the songs you intend to use. The only requirement is the ability to sign.

Even if you don't want to perform, your help is needed. Other positions will be posted in the TV Studio on Saturday.

Cynthia is hoping that the show can be used in the Summer in the Parks program.

AROUND AND ABOUT

--The Cued Speech Project Office which is located on the third floor of College Hall has a new telephone number. The extension is 717.

--The Secretary, a professional magazine to meet the needs of all secretaries, is now available in the Edward Miner Gallaudet Library thanks to a gift by Gail Levo.

INTERNSHIP PROGRAM CONTINUES

An enthusiastic group of ten participants from a variety of educational settings are part of the Center for Continuing Education's fourth semi-annual internship program. During the month of June, the interns will be gaining skills needed to establish adult and community education programs for the deaf or to expand existing services in their respective communities.

NEXT ISSUE OF ON THE GREEN WILL BE JUNE 18. Please submit information to Judy Bortner by 6/16.
